In this section, tell us about the development of your project and its scope.

I. Please provide a paragraph summarizing the project and its goals.

II. Insert a short description of the project's technical structure and dependencies.

III. Finally, tell us about your plans for the future development of the site. Are you willing and able to refresh the content in MESA as it evolves?

In signing this document, you are submitting this project for inclusion in the MESA federation. You agree to supply metadata to MESA in the specified format of RDF. This metadata will be included in the MESA federation and will also be searchable by other projects in the Advanced Research Consortium (ARC). Individual metadata records will be able to be viewed through MESA and ARC. This metadata may be exposed for harvest outside of MESA. This agreement pertains only to the RDF supplied by you to MESA and not to the full content of your project, which remains under your control.
